1. Policy

1.1 Overview

Sedibeng District Municipality has developed its Budget Oversight Policy with a view to ensure financial sustainability and the capacity to accommodate future planning. This in recognizing its:

- i. Community orientation; and
- ii. The need for good governance.

The policy is a transparent and codified internal control system aimed at promoting its core District Objectives to ensure that the limited resources at the disposal of Sedibeng District Municipality will be focused towards serving the various stakeholders in the pursuit of their interactions with Sedibeng District Municipality both efficiently and congruent to approved budgets and broader financial policies of Sedibeng District Municipality, whilst minimizing the temptation of misuse of municipality funds.

The policy is applicable to all Sedibeng District Municipality office bearers and publicly elected councilors charged with discharging municipality related activities. It seeks to institutes the necessary control measures to facilitate the daily activity of the municipality by providing:

- i. A guideline for all stakeholders;
- ii. An internal dynamic document detailing the processes required for the efficient discharge of duties to ensure the efficient administration of the Sedibeng District Municipality budgets

The policy is intended to provide a framework for monitoring and evaluating the Municipality's budgetary processes to ensure compliance and governance congruent to the Municipal Finance Management Act, 2003 and National Treasury Regulations.

1.2 Purpose

The purpose of this policy is to adhere to all legislative, regulatory and policy imperatives by infusing effective and efficient budget monitoring processes and procedures into the Sedibeng District Municipality.

The policy is further intended to meet the requirements of the Municipal Finance Management Act, 2003 and to be consistent with any prescripts issued by the South African National Treasury. Central to these are the need to infuse sound financial management practices and structures for long term sustainability.

1.3 Objective

The policy objectives of the Budget Oversight Policy also specifically seek to address the following:

- i. To ensure effective budget management and oversight;
- ii. Ensure compliance with the MFMA Budget and Reporting Guidelines;
- iii. Govern fund shifts within votes, adjustment budgets and correlate to the unforeseen and unavoidable expenditure policy and the unauthorized expenditure policy.

1.4 Business Process framework

1.4.1 Legal Framework

The Municipal Finance Management Act (MFMA) 56 of 2003, the Municipal Systems Act (MSA) 32 of 2000, and all other applicable legislation, policies and circulars make reference.

Section 21 of the **MFMA** requires the Executive Mayor to table before council 10 months before the start of the budget year a time schedule outlining key deadlines inclusive of the annual budget process, the Integrated Development Plan as prescribed by section 34 of the **MSA**, the budget related policies, any amendments to the IDP or budget related policies, and the necessary consultative process which need to give effect to the above.

Section 7(1) (m) of the Municipal Budget and Reporting Regulations (**MBRR**) makes reference to the fact that the municipality should have a policy related to budget implementation and the oversight thereof.

1.4.2 Accounting Framework

Section 7 (1) of the **MBRR** directs the municipal manager to prepare, or take reasonable steps to ensure that the preparation of a set of budget related policies of the municipality occurs in accordance with all legislation governing such policies for tabling in the municipal council within the deadline as set by the Executive Mayor Section 21(1) (b) of the **MFMA**.

The responsibility of drafting the specific policies rests with the Municipal Manager and the Chief Financial Officer. The performance of this function may be delegated to subordinates; however this however does not alleviate the responsibility of the Municipal Manager and Chief Financial Officer.

1.5 Recommendations

- i. This policy, processes and procedures document is adopted as the Budget Oversight Policy;
- ii. This policy, processes and procedures document be recognised as identifying, characterizing and addressing the various oversight requirements for the budgetary implementation;
- iii. This policy, processes and procedures document be recognised as denoting all internal control mechanisms relevant to the efficient and effective discharge of the budget oversight policy for both municipal officials and elected representatives of SDM;
- iv. This policy document is adopted by the Executive Management and the broader Council of Sedibeng District Municipality as the framework for the Budget Oversight.

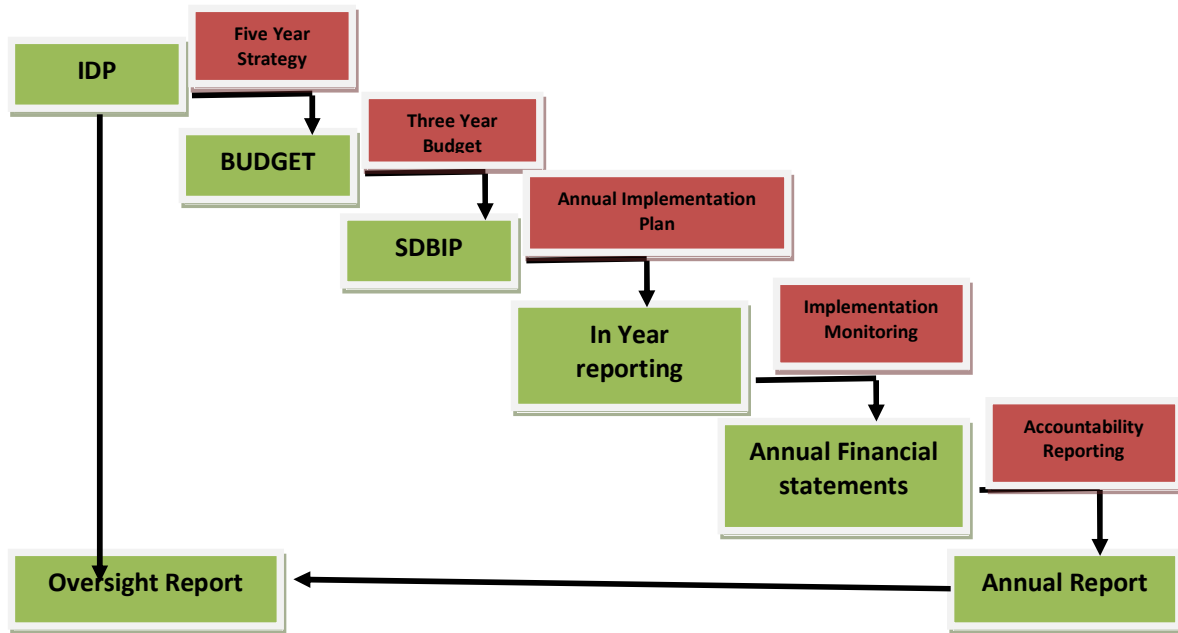

2. Processes

2.1 Municipal Accountability Cycle

For consistency in report National treasury has prescribed that a framework for monitoring and evaluating the performance of municipalities. Included in this is a detailed process

flow as to municipalities are to interrelate various functions and reports to arrive at a standard chart of accounts which allow for parity in evaluation of performance.

MFMA Circular No. 63 schematically presents the municipal accountability cycle as follows:
